

Core T5 LED Batten G3 (BN058C)

Features and benefits:

Slim and Trunkable, integrated design

18% cost down than current gen

Polycarbonate housing with one pc extrusion process

Different type can mix and match, **flexible in a long length**

Type	BN058C
System output	1100/825/550/275lm
Wattage	3.4/6.9/10.3/13.8W
System efficacy	> 80lm/W
CCT	3000/4000/6500K
CRI	> 70
SDCM	< 7
Ambient temp.	25°C
Operating temp.	-20°C ~ +40°C
Input voltage	220-240V, 50/60Hz
Power factor	0.5
Max Linkage	8 pcs (can mix with different length and CCT)
Lifetime	15,000 hrs Ta 25°C
Approbation	CCC/CB/EMC
